

EDGE 20 PENDANT —
BY MONIKA MULDER 2017

#249113 #249115 #249119 #249116

Inspired by the reflection of the light, the Edge lamp creates an image of parallel lines in different shades of colour through the intricate use of shadows.

ABOUT

Inspired by the reflection of the light, the Edge lamp creates an image of parallel lines in different shades of colour through the intricate use of shadows.

Every edge is unique and therefore reflects light differently, so creating the desired effect of different colours and contrasts within the design.
