## A small table that reaches new heights

Turn table is a small yet functional table in wood and steel. The name Turn refers to the rotational movement used to adjust the height of its round tabletop, gently raising it up from its bell-shaped steel base. With a minimum height of 41.5 cm and a maximum height of 66.5 cm, this small table can be easily adjusted to suits its existing surroundings.

Turn table in warm gray, black and gray
