Plinth Shelf

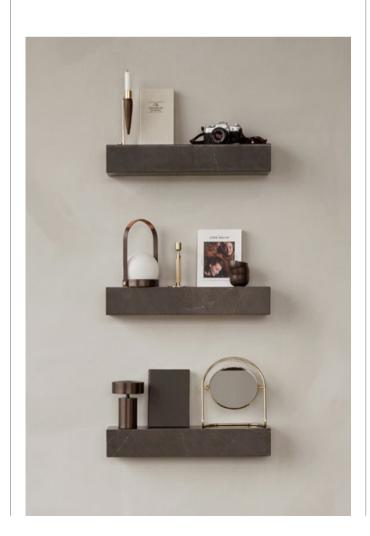

by Norm Architects

Plinth Shelf

BY NORM ARCHITECTS

The minimalist profile of the Plinth Shelf is shaped from Grey Kendzo, a rich, brilliant white veined marble, carefully selected for its inherent beauty and light-reflecting qualities. Equal parts elegant and purposeful, the 60 cm long shelf can be attached horizontally to a wall for use as a display ledge or bookshelf, or vertically as a wall-mounted podium on which to showcase a favourite object.
