

LE ROI COFFEE TABLE

by Kristian Sofus Hansen & Tommy Hyldahl

The Le Roi Coffee Table is made from solid oak with inlaid French rattan mesh. Le Roi is the French word for King, and the series is a minimalistic interpretation of rattan furniture from the French colonial time, merged with well known Scandinavian furniture archetypes, such as the three-leg circle table and the rectangular bench.

Le Roi is constructed as a frame geometry of solid oak, with French rattan mesh mounted after traditional methods. The tactile rattan mesh creates translucent surfaces, which highlights the beautiful and simple construction. Designed by Kristian Sofus Hansen & Tommy Hyldahl.
